

MARVEL

**STAR
WARS**
REBELS
10TH ANNIVERSARY

There is one gathering I never miss.

Not training.

Not combat.

THE READINGS

The Jedi Codex.

No one notices.

No one reacts.

This is the only place the Force felt alive to me.

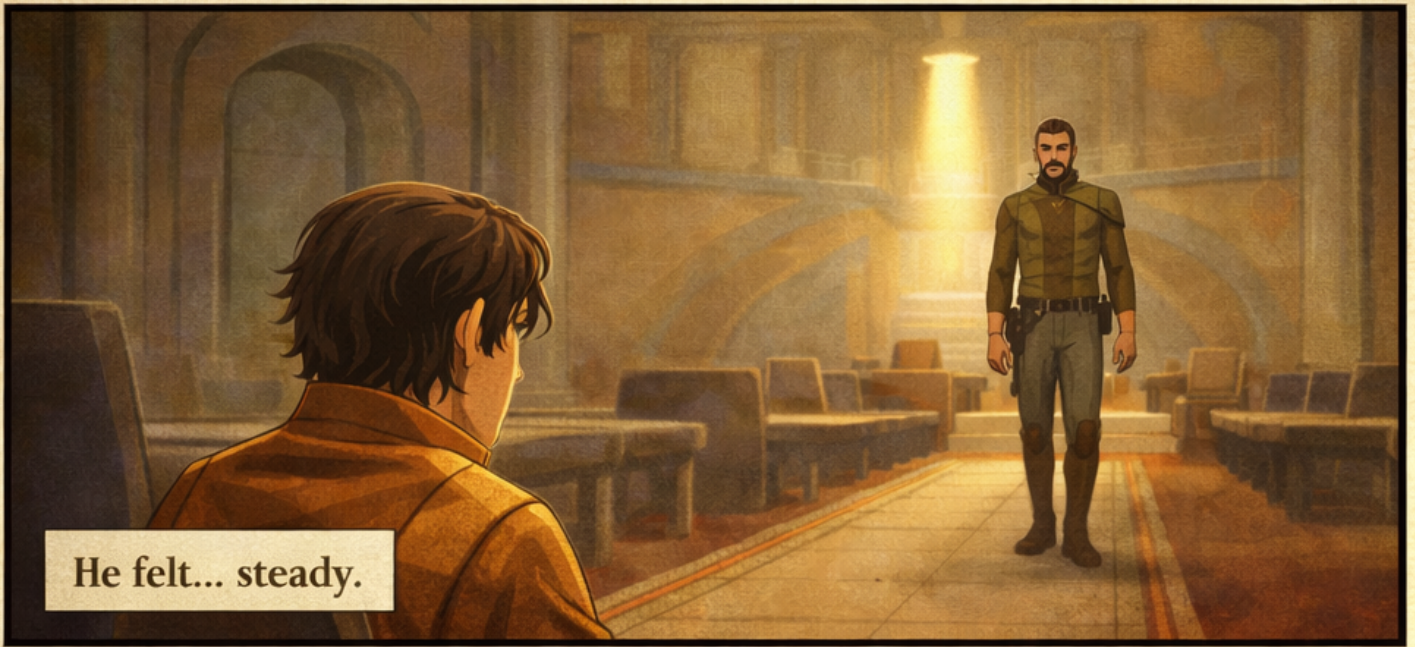

all that controlling stuff isn't discussed here at all.

But the Order treats it as decoration...

He felt... steady.

You have potential.

I can teach you.

The right way.

It sounded like belonging.

I did everything right.

....so why did it feel heavier?

YOU TRAIN ALL DAY, YOU
COME BACK QUIET, AND THEN
I'M JUST SUPPOSED TO GUESS?

WHAT DO YOU EVEN
WANT TO KNOW? IT'S
THE JEDI. YOU
HATE THEM.

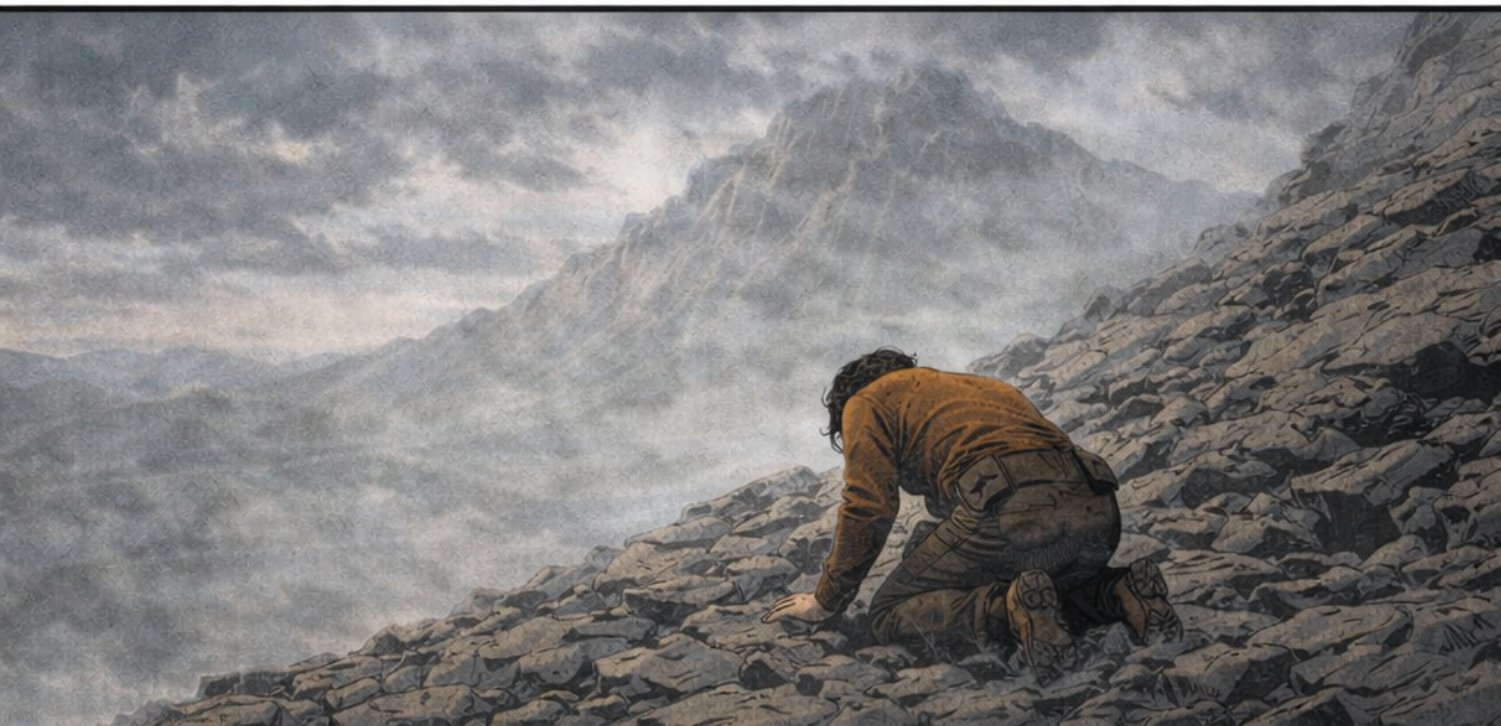

You're real.

I've never felt
you like this.
